

# The 2016 PAEA Stakeholder Summit

IDENTIFYING THE RIGHT INTERSECTION BETWEEN  
EDUCATION AND CLINICAL PRACTICE

## Our Goals...

### Connect

Have an informed discussion:

- With student and faculty leadership
- With health care delivery and policy leadership
- With patients and families

### Innovate

Create a plan:

- That impacts the way we educate students
- That better prepares our students to enter the workforce

### Collaborate

Move forward:

- Develop a long-term partnership between education and practice because we are ALL the stakeholders in the future
